

### Silks by the Sea

A very nice day I think, all went to plan and for the first showing, looked good. What a lovely place, Nigel the owner was very hospitable and the nibbles & beer was perfect. Maybe next year we can do the same, 2nd Sunday in May.

Back to now, we had a nice write up in views magazine. Thanks Ian. As for this month lets arrange something this evening, hopefully the weather will hold out. The plans for downstairs are on the go, so we have a meeting place.

Thanks for coming Nick.

**NEW Classic Car Club On The Coast**  
Great news for all Classic car enthusiasts. A new classic car club has been successfully formed on the Costa Del Sol.

Named the 'Sol Classic Car Club', already quite a number of people have joined up. Owning a classic car is not compulsory, enthusiasm!

To date, two or three meetings have taken place and the idea is that the club will meet on the first Monday of every month.

The club will be based at the 'Streets of London' restaurant near to La Cala de Mijas. Last month enthusiasts gathered at 'Streets' with their cars and then went for a gentle drive down to Nicky's Beach near Marbella for a social gathering or 'Noggin & Natter'.

Chairman of the club is Nick, owner of Streets of London restaurant, and the secretary is none other than the famous Ian Lines who is featured elsewhere in this magazine.
