From the Committee June 2017

The temperatures are starting to climb, as we steadily approach the hottest month of year. It is because of the high temperatures and family visitors that we cease activities during the month of August. But as luck would have it, the hot weather has come early this year. Your Club has always taken on suggestions put forward by members on activities we could engage in over the years of our existence. One of these suggestions was a day at the Karting establishment just outside Estepona. Nick took up the suggestion and organised our day including the lunch at the end of the racing activities. We had an ex Ferrari driver Tony Worswick visiting our Club who, being very familiar with four wheeled racing, put the rest of us to shame. Here are some pictures for all to enjoy.

We have to say the organising and track layout of the racing circuit was well thought out with good attention for the safety of young and old. The track has a junior section but judging from the age of the young boys racing on the adult section, we can only conclude the junior section must be for babies. For members who decided to give the day a miss, all we can say is that it was an experience well worth the effort.

May Lunch Club Meet at the "Cabana".

We have dined at the “Cabana” on a number of occasions in the last few months, twice this month alone, and our Club lunch meets continue to go down well with our members, particularly when we descend on tried and tested restaurants that give good value for our money.

We just wish we could find more of the same standard. So members, if you know of a similar venta in your area, please let the Committee know, and we will more that happy to take up the recommendation.

Looking Ahead

Venue (Jinete) and Time for Club Meet on Wed 12th July 2017 at 1.30 p.m.

We are back at the “Jinete” for the month of July as the establishment has served us well for a while now and we tend to get a good turnout. This will be our last “lunch time meet” before our summer break and we hope that it will be a good one. Just to remind everyone, all visitors and family are welcome as these are our social gatherings. If members can turn out in their Classics it would be an added bonus. Some have said to the Committee that they like lunch meet as they prefer them to driving their Classics in the dark.

Looking Ahead to our 15th July “At Home” day with member Tim Platten.

Let us explain what we mean by “At Home”. Every year one member opens their home for a Summer party where all are welcome, that is members their friends and family. This year Tim Platten has offered to be the host for our Club. The running order is we all meet up at 11.00 am at the BP garage in Alhaurin Golf and proceed the five kilometres to Urbanisation Valtocado that is situated on the road between the BP garage heading towards Mijas Pueblo.

This is a “bring a dish” event where members bring their favourite dish to share with others. We advise members to only bring enough for four helping as in previous years there has been too much food to go around. The Club will provide wine, beer and soft drinks.

Now, further information on what we can expect. Tim has turned the lower part of his home into a mini ‘Night Club’ complete with juke box and all the audio-visual equipment one can imagine. He also has a splendid garden large enough for a party, complete with a swimming pool for members wishing to take a dip. Remember to bring your cossie and towel.

There is a map as you enter the Urbanisation. Tim resides at house number 101. Just keep to the right without going up a cull-de-sac and Tim is on the left well before the first roundabout.

Looking Ahead to the September Weekend

All preparations are in place, deposits have been taken and to our surprise places have been rapidly been taken up. Usually members leave decisions to the last minute but on this occasion the reverse has happened. All one needs to know at this time of writing is that we meet on:-

Wednesday 20th September 2017

10.00 am Sign on at Venta Las Platero, Coin for breakfast

Finally

If you require a Club shirt or cap please contact our ~Secretary carol.lindores@gmail.com - who will organise and collect your order
