From the Committee August 2017

The heat is really high this year, so take care everyone. Family and the little ones are down for their annual visit to grandparents complete with buckets and spades. Our Car Club season ended with an "at home hosted" by Tim Platten who had pulled out all the stops for everyone. Thank you Tim.

September SOL Classic Car Club mini break in Seville .

As members know, we restart our activities in September after the visitors have returned to their respective countries and the school holidays are over, but most importantly the heat has calmed down a little. We have to inform members that some extensive planning has gone into this event. We have had our fair share of issues to resolve, but we are glad to say that is all behind us and we can set off on this adventure to a beautiful part of Spain that the ordinary tourist never sees. Over the last few months we have been sending out our itinerary and the associated cost we are expected to incur. We will be meeting for the start of our event on Wednesday 20th September 10.00 am. at the Venta Las Platero. We have 3 rooms still available at the overflow Hotel – The Andalou – at the reduced 'package' cost of 375eu for 2 people. However, the main Hotel has put a deadline on us, **this Sunday 13th August**, to guarantee a room at the overflow Hotel. After that we will have to check availability and you may be disappointed. If you do want to come along please and join us then contact Carol on her usual email.

September Lunch Club Meet at the “Jinete”. **Club Meet on Wed 13th September 2017 at 1.30 p.m.**

We are back at the “Jinete” for the month of September as the establishment has served us well for a while now. We ended our last season at Jinete's, so we thought we would restart again at the same venue. They are always very consistent and have a warm welcome for our Club.

We have asked for other suggestions from members for our Lunch meets but non have been forthcoming. So please come up with an alternative of your liking and we, as Club, will give it a go.

Looking ahead to next Year

It is about this time of year we start collecting ideas and most importantly members willing to hold runs or events of their liking. Any ideas and volunteers for 2018 events please step forward and 'button hole' Carol.
